VISITOR SAFETY & Instructions

1. Customer should have their PO number or U.S. LUMBER sales order number readily available.
2. Customers should have a vehicle that can safely transport the material being picked up.
3. U.S. LUMBER reserves the right to refuse loading of material for any reason.
4. Visitors to U.S. LUMBER must sign in and out, and receive a safety briefing.
5. Customers/visitors are not to operate any U.S. LUMBER equipment during pickups or deliveries.
6. Non-U.S. LUMBER Employees are not allowed in the warehouse unless accompanied by a U.S. LUMBER Employee.
7. If any customer/visitor is allowed in the warehouse, **HARD HATS ARE MANDATORY** along with any other necessary PPE as required by OSHA.
8. Visitors picking up product must wait inside their truck or in the customer waiting area.
9. Visitors should observe and obey all signage posted at the local U.S. LUMBER facility.
10. Contact your local U.S. LUMBER office with any questions regarding their local pick up policy.
