FiberCement Siding

CertainTeed 

Quality made certain. Satisfaction guaranteed.™

CertainTeed brings fiber cement siding that you can choose with confidence, install with pride and experience in comfort.

We create beauty, harmony and innovation in your world with the rich colors and stunning textures of CertainTeed FiberCement siding.

Our FiberCement relies on environmentally sustainable principles to design technologically advanced, earth friendly siding that looks as good as it performs.

Each and every sheet and board is engineered for decades of superior protection, wear and durability, and is backed with a century-long tradition of excellence and customer satisfaction.

When we say CertainTeed, we mean quality made certain, satisfaction guaranteed.

CERTAINTEED WEATHERBOARDS SIDING is the best-looking, finest performing fiber cement siding you can buy. We've spent the better part of 100 years creating home building products that stand the test of time. And look good doing it.

A BEAUTIFUL HOME is a joy forever.

Our fiber cement siding dramatically enhances the look of your home. It's available in a stunning array of colors and shapes that make a statement about your style. Your home deserves the great looks and long-lasting durability of CertainTeed WeatherBoards siding.

LOOKS BETTER

- Deeper, more authentic wood grain
- A complete system of siding, decorative shapes, soffit and trim
- A variety of textures, profiles and colors to match virtually any design style

PROPRIETARY PATENTED FORMULA

- Environmentally friendly design using a recycled material
- Contains more than 30% post-industrial recycled fly ash material
- Lighter weight, lower density boards for easier handling and installation
- Compatible with a wide variety of trim boards

LASTS LONGER

- Higher interlaminar bond strength means superior freeze/thaw protection
- FiberTect® Sealant/Primer protects against damaging moisture
- Resists everyday bumps and harmful impacts
- 50-year limited transferable warranty*

OUTPERFORMS THE OTHERS

Fiber cement siding outperforms wood and other siding.

- Consistent quality and dimensional stability
- Class A (Class 1) Flame Spread Rating
- Non-combustible
- Impervious to wood-boring insects
- Resists damaging effects of salt spray and UV rays
- Will not rot

OUR GALLERY OF COLORS WILL TRANSFORM YOUR HOME INTO A WORK OF ART.

Express yourself. Create your own palette that's warm and traditional. Or do you prefer bold and dramatic?

Whatever your preference, you can paint your FiberTect®-sealed WeatherBoards siding any color you want. Technologically advanced, factory-applied FiberTect Sealant is a priming system engineered to seal out moisture and permit paint to bond more permanently to WeatherBoards. So go ahead and choose your true color for a longer lasting, better looking finish. Better yet, choose from the selection of designer colors offered by the WeatherBoards Prefinish Service.

The **PREFINISH** topcoat is a highly protective coating developed for CertainTeed WeatherBoards FiberCement Siding. It is factory-applied over **FIBERTECT** Sealant, and offers an outstanding **COATING WARRANTY** of **25 YEARS**.*

SOMETIMES A TINT OF COLOR MAKES ALL THE DIFFERENCE.

When you want the elegance of stained wood, CertainTeed WeatherBoards siding has you covered.

WeatherBoards is available prefinished in six premium stains. It features a 100% acrylic latex coating that protects the finish against the elements. Even the sun won't cause it to crack, peel or flake.

Stain coatings are machine-applied to **FIBERTECT®**-sealed WeatherBoards siding. These stains feature a **12-YEAR LIMITED COATING WARRANTY.***

So if you want the beauty of wood, choose WeatherBoards stain siding.
