

1

## EXCEPTIONAL STRENGTH

Durable powder-coated aluminum is AAMA certified and rust proof. And with over **10,000 hours** of salt-spray testing (used to accelerate corrosion performance of a coating system), Avalon performs at **more than 3 times** the required standard of 3,000 hours! It exceeds most all commercial and residential codes and is supported with a limited lifetime warranty.

2

## INFILL OPTIONS

Avalon rail panels with square balusters come pre-assembled for ease of install. If you're looking for something more, try Avalon with glass slats. Glass slats open up your view from your deck without compromising your safety.

3

## SECURATEC™ LOCKING STRIP

Patented, innovative locking strip, pre-installed into the top and bottom rails, locks in balusters for a secure fit and eliminates rattling.

## 4 LED LIGHTING

Lighten things up with our Avalon 3-in-1 LED post cap, available in all 3 Avalon color options, or some Under-Rail LED lighting!

## 5 POST OPTIONS

In addition to standard aluminum posts, 2 1/2" square or 4" square, you can achieve a sleek look using 2" square Avalon over-the-top posts and brackets.

2 1/2" Standard post

4" Post/sleeve

Over-the-top mid post (also available in corner & end)

## 6 INTERCHANGEABLE TOP RAILS

Choose the top rail that creates your look. Top rails install quickly and easily and come in 4 different styles and 3 colors. The Oberon is designed for a deck board to be installed on top to create a flat top surface.

The Pellinore™

The Lanval™

The Tristan™

The Oberon™

## 7 COLOR OPTIONS

Avalon Aluminum Railing comes in three colors:

White

Satin Black

Aged Bronze
