RAILING

FINYL LINE™
PRODUCT INFORMATION

Finyl Line Vinyl Railing is easy to install and is reinforced with strong aluminum — designed to provide added safety. Choose from a traditional T-Top style or Deck Top profile to add a deck board to and create a flat “cocktail rail”. Available with three baluster styles — square, turned or black round aluminum. And also available are innovative semi-privacy Decorative Screen Panels as an infill option.

FEATURES & BENEFITS

- Deck Top rail allows for deck board to be easily turned into a flat “cocktail rail”
- Aluminum stiffeners reinforce top and bottom rails for added strength and support
- Decorative Screen Panel infill option offers increased customization with multiple designs and colors
- Brackets conceal all fasteners — providing a clean, finished look
- Transferable Limited Lifetime Warranty

SOLARGUARD®
