About U.S. LUMBER

For more than 30 years, U.S. LUMBER has worked to build a business designed around the needs of building products dealers, and committed to meet a standard of trust and responsiveness that is unmatched in the industry. Over that time, the company has grown dramatically and today serves over 4,000 customers in the Eastern United States with more than 50 unique product categories. U.S. LUMBER is a “values” based organization, governed by a culture of respect, honoring people as the highest value, and directed by a true moral compass aimed at doing what is right. U.S. LUMBER diligently extends that circle to all of our employees, customers, suppliers and everyone that we encounter in the business.

Commitment to Millwork

U.S. LUMBER can proudly point to the millwork segment as a cornerstone of our business. Over one third of our total inventory is comprised of Finger Joint, MDF, Clear Pine, Hardwood, Treated and PVC, Lineal Moulding and Boards, and door shop components. Our buyers are dedicated millwork professionals who are working to consolidate our purchases and coordinate them with the largest manufacturers in the world in to bring to market the highest quality products at the most competitive pricing.

Our People

U.S. LUMBER Millwork Managers work locally in each market to keep a clear focus on the individual needs of customers in each region. With over 1,200 different items in stock, our branch inventories are finely tuned with the right mix of profiles, substrates and finishes to meet the unique architectural and traditional applications for the area. These dedicated millwork professionals are the best and most local resource for technical and market information. They work alongside our sales teams to identify individual customer needs and build personalized supply programs to meet those needs.

U.S. LUMBER is working tirelessly to be an essential part of your business.
